

## ***Gain Early & Exclusive Access to Qualified Customers at EDspaces***

The Education Market Association (EDmarket) underwrites the Scholarship Program which assists personnel from qualifying school districts, colleges and universities to attend the EDspaces Conference & Expo. Through this program, EDmarket funds the housing and registration expenses for personnel from more than 130 schools and colleges representing almost \$12 billion in current and planned spending!

Participate in the EDspaces Buyers+ Sponsorship Program and your company will have priority access to the list of scholarship recipients before all other exhibitors. In addition, you'll also have the opportunity to meet scholarship recipients at a private breakfast. **There are only a limited number of sponsors available for this program, so act fast.**
