

POLICY REGARDING OFFICIAL SERVICE CONTRACTORS AND REGULATIONS FOR EXHIBITOR-APPOINTED INDEPENDENT CONTRACTORS TO INSTALL AND DISMANTLE DISPLAYS

Show Management, acting on behalf of all Exhibitors and in the best interest of EDmarket and EDspaces, has appointed an Official Service Contractor to perform and provide necessary services and equipment.

The Official Service Contractor is appointed to:

- a. Insure the orderly and efficient installation and removal of the overall Tradeshow,
- b. Assure the distribution of labor to all Exhibitors according to the need,
- c. Provide sufficient labor to satisfy the requirements of Exhibitors, and for the Tradeshow itself,
- d. See that the proper type and limits of insurance are in force, and
- e. Avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractor will provide all usual Tradeshow services, including labor. Exceptions are:

- a. Supervision may be provided by the Exhibitor,
- b. The Exhibitor may appoint an outside independent contractor for installation and dismantle only of the Exhibitor's display.

Exhibitors may employ the service of independent contractors to only install and dismantle their displays, providing the Exhibitor and the installation and dismantling contractor comply with the following requirements:

1. The Exhibitor, in writing, must notify EDmarket's Exhibit Services Department of their intention to utilize an independent contractor no later than 21 days prior to the first move-in day, furnishing the name, address and telephone number of the firm. Letters as such from independent contractors are neither valid nor acceptable.
2. Only the Exhibitor-named independent contractor's employees will be authorized on the show floor. Employees of third parties named or subcontracted by the Exhibitor-named independent contractor will not be authorized admittance on the show floor unless those employees are named and badged as specified in the following article.
3. The independent contractor must have all on-site employees wear, at all times, identification badges supplied by the independent contractor containing the independent contractor name, employee name and Exhibitor Company name, plus wear a second EDspaces badge, if required.
4. The independent contractor must have all business licenses, permits and Workman's Compensation insurance required by the State and City governments Tampa Convention Center prior to commencing work and shall provide EDmarket with evidence of compliance.

5. The independent contractor must carry a minimum of \$1,000,000 in Public Liability Insurance and shall provide EDmarket with an original certificate of insurance showing the coverages and amounts, and naming EDmarket, EDspaces and the Tampa Convention Center as co-insured.
6. The independent contractor must follow the scheduled work time or pay any additional costs incurred because of extended work hours.
7. The independent contractor may not solicit business on the exhibit floor.
8. The independent contractors must confine their operations to the exhibit area of their clients. No service desks, storage areas or other work facilities will be located anywhere else in the building. The show aisles and public space are not part of the Exhibitor's booth space.
9. The independent contractor must comply with all labor agreements and practices and must not commit or allow to be committed by persons in their employment any acts that could lead to work stoppages, strikes or labor problems.
10. The exhibit floor, aisles, loading docks, service and storage areas will be under the control of the Official Service Contractor. The independent contractors must coordinate all of their activities with EDmarket's Exhibit Services Department.
11. For services such as electrical, plumbing, telephone, floral, booth cleaning, and drayage, no contractor or supplier other than the Official Service Contractor/Suppliers will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

PLEASE NOTE: NO INDEPENDENT CONTRACTOR WILL BE ALLOWED ON THE EXHIBIT FLOOR AT ANY TIME WITHOUT A CERTIFICATE OF INSURANCE ON FILE WITH EDMARKET. THERE ARE NO EXCEPTIONS.
