

TOUCH

TEST

TINKER

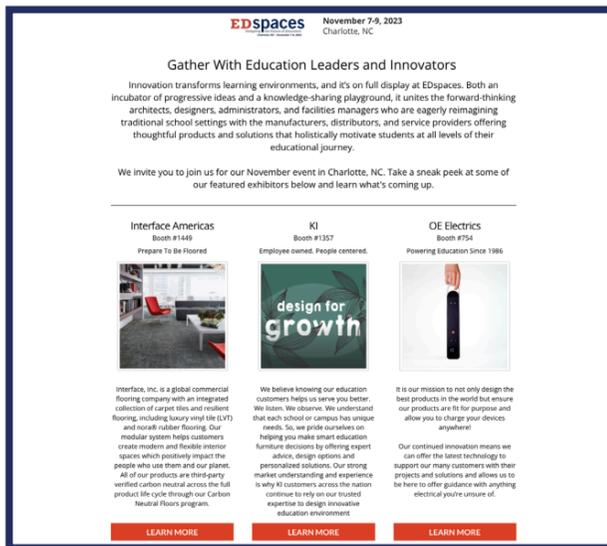

EDspaces attendees want to touch, test and tinker with the innovative solutions you provide for the learning facility. This is the ultimate place to network and build relationships, create awareness and sell the latest products and services in the educational facility market.

Why you can't afford to miss out.

EDspaces brings you pre-qualified attendees! The EDspaces Scholarship Program provides funds for staff employed by schools, districts, colleges and universities to attend EDspaces. These scholarship recipients historically have bonds and plans for billions of dollars ready to allocate for renovation and construction projects for the upcoming 3 years. The program typically provides key decision makers from over 150 universities, community colleges, and schools/districts to attend the event and have an opportunity to meet with you!

Maximize your visibility and drive the right traffic to your booth!

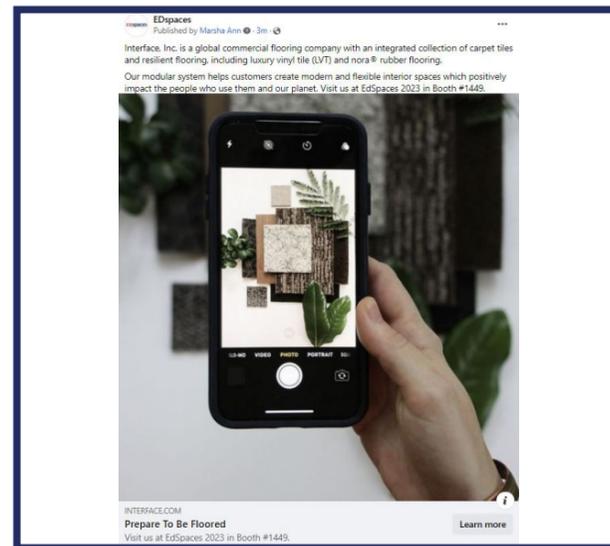

Rely on these new programs to help promote your new product launches, thought leadership items, and booth happenings to increase your ROI from EDspaces.

Show Spotlight Page

Make sure everyone knows about your upcoming plans for EDspaces and new product launches. As a featured sponsor on the Show Spotlight page, you'll reach your target customers at an attractive price.

Show Spotlight Pages help you maximize your investment in EDspaces. Ensure that your company's booth gets the foot traffic and attention you deserve! All at a reasonable cost and with very little time investment.

Show Social Beacon

Stand out from the crowd at EDspaces with our Show Social Beacon offering. Our team will build a custom 30,000 impression Facebook/Instagram campaign promoting your message to our proprietary audience.

This campaign will run for three weeks leading up to EDspaces, so you can invite customers and prospects to meet in your booth and promote all of your show activities.

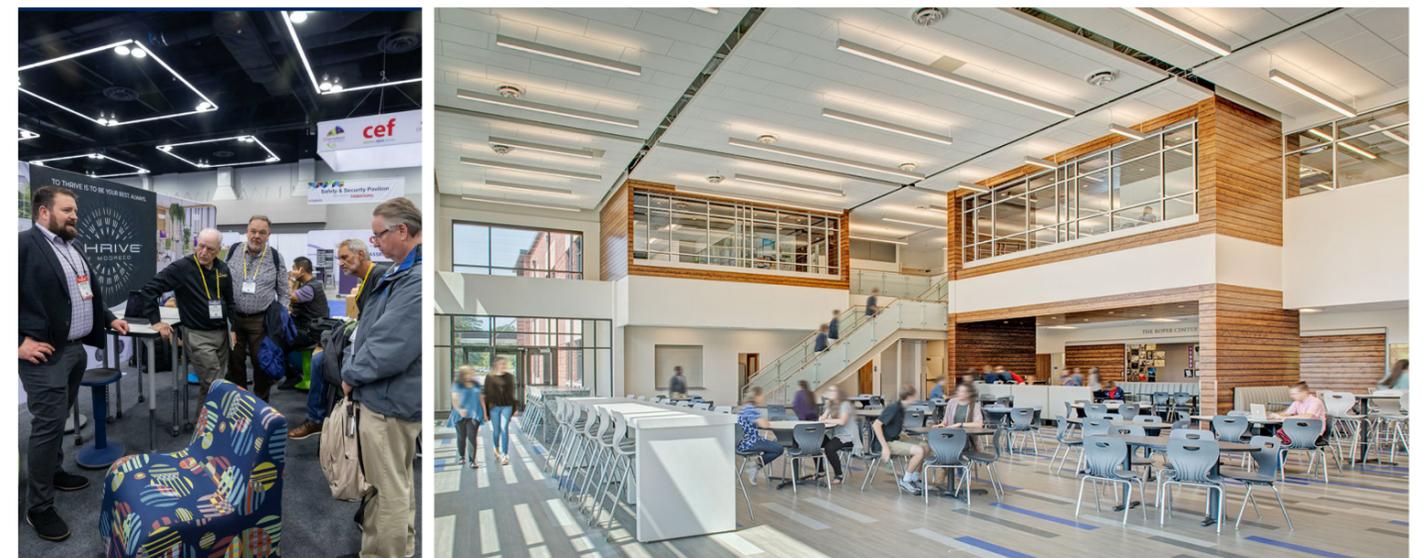

EDspaces

Designing the Future of Education

Houston, TX | November 12-14, 2024

TRANSFORMING THE BUILT ENVIRONMENT IN SUPPORT OF HEALTH, WELL BEING, AND BETTER OUTCOMES

In collaboration with

Co-Located with

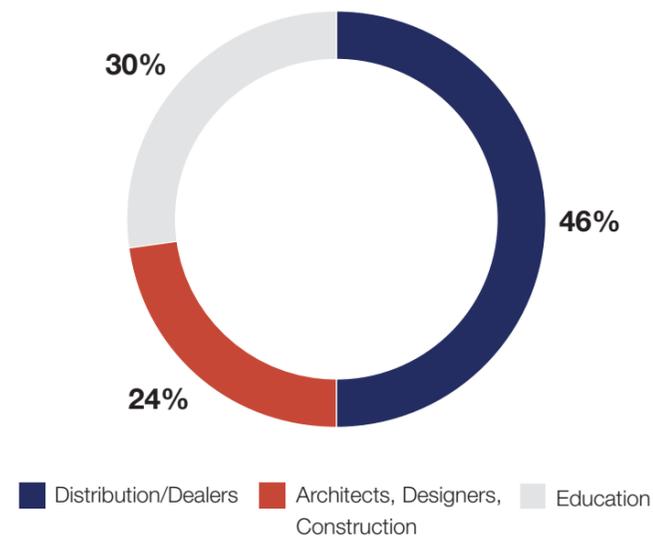

The largest event for educational environments, EDspaces, will be held in Houston, Texas, November 12-14, co-located with the AIA-CAE Fall Conference and the Campus Safety Conference @ EDspaces.

This Integrated event is the best place to connect with your target audience and show off your portfolio of products and services to buyers. It is your forum to speak with the leaders and experts in the marketplace, form strategic partnerships and secure new opportunities for profit.

EDspaces delivers the audiences you want to meet.

- Meet with the educational facility personnel who are driving buying decisions.
- Connect with the largest gathering of distribution focused on education products for the learning environment.
- Network with the architect and design community who are focused on the importance of improving learning environments.

The Education Market Association (EDmarket) collaborates with EDspaces to provide the high-level, thought provoking content at the event. EDmarket is a nonprofit trade association whose members are thought leaders in the industry. The association connects manufacturers, dealers, architects, designers, and schools to positively impact education. For more information, visit www.edmarket.org.

There is a bigger need than ever before for your products and services in educational facilities.

The 2021 State of Our Schools Report* finds that the school facilities annual funding gap has reached \$85 billion a year, up \$25 billion since 2016. Exhibit at EDspaces and get in front of potential customers who have a need for your solutions and expertise with the buying power to make it happen.

The 2021 State of Our Schools Report was released by the 21st Century School Fund, the International WELL Building Institute, and the National Council on School Facilities. Visit 21csf.org for more information.
