

## APPLY NOW FOR A SCHOLARSHIP TO EXPLORE THE FUTURE OF LEARNING ENVIRONMENTS AT TWO TRANSFORMATIVE EVENTS

Join education leaders, facility planners, and industry experts at EDspaces to explore how physical spaces shape better outcomes for learners and educators.

### Scholarships Include:

- Full conference registration to BOTH EDspaces and Campus Safety - including access to all educational sessions, keynotes, exhibits/partner solutions, and networking events
- Up to 3 nights in an official EDspaces hotel
- Lunch vouchers Wednesday and Thursday
- Complimentary membership to SchoolNetwork, a collaboration hub for K-12 leaders
- EDmarket membership through 2026

“EDspaces is a must attend event because it allows you to connect with industry partners and opportunities - if you have questions about what’s possible but not necessarily sure of where to start, you get exposed to those who have already done it or who are in the stages of planning to do it.”

-Crystal Danzy, Pace High School, Casa Grande, Arizona

# Proven Strategies. Smart Spaces. Better Learning Outcomes.

“You leave EDspaces with the tools to reimagine educational learning spaces. You are surrounded by like-minded professionals who share their modernization journeys and inspire you to be changemakers for learning environments.”

-Jessica Morales, Area Assistant Superintendent  
Chula Vista Elementary School District

## AT EDSPACES YOU'LL...

**Learn from Peers** - Step into peer-designed spaces with practical **strategies** for modern learning environments.

**See the Future First** - Participate in exclusive facility tours showcasing **cutting-edge educational spaces**.

**Experience Innovation** - Test, touch, and tinker with the latest products from exhibitor partners.

**Expand Your Network** - Connect with professionals who **face the same challenges as you** in shaping student success

**EDspaces Scholarships - Your Pass to Innovation  
in Education Design and Better Outcomes - On Us!**
